

## ARKANSAS TRAVELLER

### Breakdown

Tune:—Arkansas Traveller.

Honour your partners, corners address  
Join your hands and away to the west  
Halfway round and promenade back  
Promenade home in the same old track  
Break and swing as you come around  
Swing your honey and roll her around.

Allemande left with the corners all  
Right hand to partner and Grand Chain all  
You jump right up and you come right down  
Hit the lumber tameracker down  
Honour your lady and pass her by  
Wink at the next girl on the sly  
Kiss the other as you go by  
And swing your honey when you get home.

Head two ladies forward and back  
Forward again your right hand over  
Left hand to opposite  
Balance four in a line  
Ladies turn out and Gents turn in  
And balance some more for the good of the floor  
Gents jump out and give Ladies a swing  
Swing your opposite little doll.

Run away home and swing your own  
And all swing for the good of the floor.

Allemande left with the corners all  
Right hand to partner and Grand Chain all  
Up you go and down you go  
Stub your heel and bump your toe  
Meet your honey meet her with a smile  
All swing out and swing them a mile.
