

LITTLE BROWN JUG—Continued.

Now with the girl you call your own
 Now with your opposite don't be afraid
 To take your own and run away home
 Allemande left with the corners all
 Right hand to partner and Grand Chain all

If I had a Cow that gave such milk
 I'd dress her in the finest silk
 Feed her on the choicest hay
 Milk her forty times a day.

(Orchestra sings—"Ha, Ha, Ha")

"Caller" sings—You and me, Little Brown Jug
 Don't I Love Thee.

Swing them east and swing them west
 Swing the girl you love the best.
