

# 8. Shady Nook

Chords: G, C, G, Em, C, D, D, G, D, G, Em, D, Em, D, Em

A lovely, new Ontario tune. You don't really need much slurring for a good Old-Time sound, but you can try out lots of things here. Try some of the 2-note slurs given on page 17. It also lends itself well to more cross-beat Irish slurs (see IIIb), but it does change the effect somewhat.
