

11. Woodchopper's Breakdown

The musical score for "Woodchopper's Breakdown" is written in D major (two sharps) and 2/4 time. It consists of six staves of music. The notation includes various bowing techniques: slurs, accents (marked with a 'v'), and triplets (marked with a '3'). Chord markings for D, A, and D are placed above the notes. The piece concludes with a double bar line and repeat dots.

BOWING: Lots of examples of 2-note slurs on the beat here, with a few cross-beat slurs to help smooth it out. This tune also crosses a lot of strings in a short period of time, like many Old Time tunes. Don't forget to change the level of your arm to make it clean.
